- An active eTwinning project aiming to collect student-generated content focusing on EU values

14-15 November 1st International Partners Meeting in Andria After the first virtual meeting, all partners met at the coordinator's educational institution (Liceo Carlo Troya) to discuss their roles and responsibilities and the programme of all activities. Their tasks were clarified and proposals for the management and dissemination plan of the programme were discussed. Details about the 1st training and capacity building activity in Madrid were also discussed. In the afternoon, the partners visited some emblematic monuments of Southern Italian art: Castel del Monte and the Cathedral of Trani.
