MADEIRA FUNCHAL MEETING IN  
MUSEUMS

PROJECT GUIDE

# Madeira Project Meeting May

## Meeting in Madeira

In May, the project partners came together in Madeira, Funchal, at the invitation of Dr. Haracio Bentode Gauveira School. The meeting was of a working and educational nature, with the aim of deepening the participants' knowledge on the use of art in education and exchanging experiences between the partners. The meeting was not only an opportunity to continue working together on the project, but also to discuss all the methods between the partner schools in the field of museum education and the various presentation methods.

During the visit, intensive training was held covering visual arts, various art forms modern digital tools used in museums and working with children.

On the first day, we met at the farmers market. We took a cable car ride to Monte Palace Functional Madeira. We visited the Botanic Garden. We also visited two different museums.

## Dr. Haracio Bentode Gauveira School Visit and Presentations

Participants met at Dr Havacia Bentode Bavuara school.

Presentation of the event organized by Lucilia Sousa Maderia Whale Museum, MBM-(MUSEU da Baleria da Maderia) education service with schools, institutions and the general community. Discussion on intellectual output and dissemination strategies.

Guided tour of Maderia Wine, Embroidery and Crafts Institute. Guided tour of Funchal Sacred Art Museum.

Visit to Funchal Cathedral.

Tower climbing.

Visit to Cabo Girau.

Marco Goncaleves (Madeira Photo Museum) presented the 19th century heritage of Vicence Photography in the 21st century.

The 'Whale as a symbol of education' workshop organized by the Portuguese team was held.

Participation certificates were distributed.

A guided tour was organized in the Quinta Das Crues Museum, and a guided tour was organized in the Santa Clara Monastery.

A walking tour was organized around the old town of Funchal.

# Media and Dissemination Activities

A guided tour was held at the Fredericcode Frentas House Museum.

A guided tour was held at the Funchal Natural History Museum.

The Mused Project was reported in the local Madeira newspaper.

We would like to thank the Dr. Haracio Bento de Gauveira school for the warm welcome and professional preparation of the Project Partners' meeting in Madeira. Thanks to their participation, we had the opportunity to participate in inspiring trainings, discover new methods of artistic and educational work and learn more about the culture and heritage of Madeira.

We invite all readers of our newsletter to follow the next events and results of the project. There are many more events and inspiring meetings waiting for us!

We invite you to read the next issue of our newsletter, which will take you to the picturesque Hungary. Don't miss the next news!
