

MUSED PROJECT

Project Name: MUSED (Museums Uniting Students and Educators in Digital and Historical Exploration)

Project Code: 2024-I-IT02-KA2020-SCH-000256746

3rd & Final Transnational Project Meeting—Istanbul, Turkey (July 15 - 16, 2026)

PROJECT CLOSING & DISSEMINATION SUMMARY

The Grand Finale

The final official milestone of the MUSED project was successfully hosted in Istanbul by our dissemination and communication lead partner, **Abdulkerim Bengi Anadolu Lisesi**. All partner countries gathered to celebrate and conclude our outstanding 2-year journey.

Dissemination Achievements

As the Dissemination & Communication (WP4) leader, the Turkish team presented the project's global reach and impact reports. Future strategic plans were outlined to keep our **Virtual Museum** and digital toolkits fully accessible to educators worldwide.

CULTURAL INTEGRATION & EXPERIENCES

Historic & Digital Learning

Participants engaged with cutting-edge digital museology applications on-site at the **Hagia Sophia History and Experience Museum**, exploring the blending of physical heritage with modern technology.

Cultural Masterpieces

The team had the opportunity to explore iconic landmarks including Topkapi Palace, the Blue Mosque, Basilica Cistern, and the Grand Bazaar, discovering the deep historical roots of Istanbul.
